Account must be funded within 45 days of opening. 2) Increase your total deposit balances with new money of \$25,000 or more within 45 days of offer code redemption. 2. To earn the Introductory Promotional Annual Percentage Yield (APY) you must maintain a minimum balance of \$25,000 within the RMM account. Days your minimum balance falls below \$25,000 you will receive the non-promotional APY. It may take up to 3 business days from the time that offer requirements are met to adjust the interest rate on your account to the promotional interest rate that is reflected in this document. Your interest payments may reflect a blended APY that is below 4.00% if you were earning a lower rate for a portion of the statement period. The Introductory Promotional APY is variable and subject to change at any time. Introductory Promotional RMM APYs are accurate as of 6/1/25: 0.01% APY for balances of \$0.01 to \$24,999, and 4.00% for balances of \$25,000 or more. All interest rates and APYs are subject to change at the Bank's discretion and may change after account is opened. APYs will vary by market. Fees may reduce earnings.
